(d) what will be its production capacity; and

(e) what are the financial implications thereof?

THE MINISTER OF STATE IN THE MINISTRY OF SCIENCE AND TECHNOLOGY AND THE MINISTER OF STATE IN THE DEPARTMENTS OF OCEAN DEVELOPMENT, ATOMIC ENERGY, ELECTRONICS AND SPACE (SHRI K. R. NARAYANAN); (a) Yes, Sir.

(b) to (e) Yes, Sir. Government have approved construction of two units of 235 MWe each at a total cost of Rs. 711.57 crores, adjacent to the existing atomic power station at Rawat Bhata, Rajasthan.

Aid package by Aid India Consortium

2102. SHRI RAM AWADHESH SINGH: Will the Minister of FINANCE be pleased to state:

(a) whether US $ 5.4 billion, loan agreed to by Aid-India, Consortium U to help

India's development p ans and if so, breakup of how this, loan is to be utilised;

(b) what part of thfc loan is to be used for repayment of loa is and interest;

(c) whether this lean in hard currency is also to be used f< r work and wages in India itself and if so, the reasons therefor; and

(d) whether th$_e$ loa a carries condition-ality clauses as befo e for global tenders and imports of even for equipment traditionally manufactured in India as has been happening under OP <~*'uod* and other projects?

THE MINISTER OF STATE IN THE DEPARTMENT OF EXPENDITURE IN THE MINISTRY CF FINANCE (SHRT B. K. GADHVI): (a) to (d) At the India Con sortium Meeting he d in Paris on June 22-23, 1987, the Me nbers of the Consor tium, including th$_e$ World Bank, pledged aid assistance (both loans & grants) of the orde$_r$ of US$5.4 Villion to help India's development \ plats. Out of this, Project Ait v onld be about US $4.8 billibn ai 1 Non-Project Aid would l'e abou US $0.6 billion. Pledges made i$_n$ th : Consortium metting represent only the b oad indication of the likely levels of assis knee in the year. Bilateral and multilateral contacts are established during the c< urse of the year for negotiating $_a$nd cone 'uding aid agreements which authorised dra valg subsequently. The details such as purpr se and terms and condition; of such assis ance are only known as and when bilatei il or multilateral aid negotiations 'are cor ipleted/finalised.

Indian companies all 'W>'d to invest in R&D abroad

2103. SHRT RAM AWADHESH SINGH: Will the PRIME MINISTER be pleased to state:

(a) whether it is a 'act that Indian Companies are to be allowed to invest 1n R & D $_a$bToad as reported in Times of Tndia dated 24 h June, 1987, if so, what are the detail: of the scheme;

(b) whether Government are awaie that most companies &r$_e$ showing huge sums for R & D and getting Income Tax relief without doing any R&D;

(c) whether it is a fact that Indian Companies are not financing any R&D work at various National Laboratories such $_a$s ICAR, ICMR, CSIR and at the Universities; if so, what ar$_e$ the reasons therefor; and

»

(d) whether Government $_a$re aware th»i no country in the world will pass on its discoveries to any other country without continuing high profits; if so, the reasons for (a) above?

THE MINISTER OF STATE IN THB MINISTRY OF SCIFNCE AND TECH-NOLOGY AND THE MINISTER OF STATE IN THE DEPARTMENTS OF OCEAN DEVELOPMENT, ATOMIC ENERGY, ELECTRONICS AND SPACE (SHR1 K. R. NARAYANAN): (a) Government i$_s$ considering the possibility of investing in R&D companies abroad as a method of acquisition of new technologies. But n$_0$ policy decis'on $_0$n this has been taken 'and no specific proposals formulated.

(b) There are over 900 in-house R&D industrial units both i$_n$ the P^{ublic} ^{sectM} and the private sector who are undertak ing R&D activities related to their produc tion.

The Department of Scientific & Industrial Research (DSIR) in the Ministry of Science Technology has $_a$ scheme for according recognition to in-house R&D lab-oratories/establishments of industrial units. Th$_e$ units recognised under this scheme ar$_e$ periodically reviewed before renewal *Jt* recognition. Wherever improper claims are made for tax exemption purposes, they are examined on a case by case basis and appropriate decisions taken.

(c) No, Sir. There are many instances where Indian companies have financed R&D projects at National Laboratories.

(d) Many countries of th$_e$ world pass on their discoveries to other countries only on making profits.

It is likely that investment in R&D com-panies abroad by Indian companies could
